## **Wind, water, waves and a perfect beach feeling in Germany – Super Sail Tour in Scharbeutz**

Eckernförde, June 2014 – After such a successful start of this year in the Hobie regatta Super Sail Tour continues in Scharbeutz. Best sailing performance at the Baltic Sea close to Lübeck from July 4<sup>th</sup> to 6<sup>th</sup>.

"Our audience friendly sailing close to the beach and the pier head is for tourists, guests and especially children an amazing experience. Even if you are not a sailor," says Jens Hannemann from Prosail.

The regatta in the Hobie 16, Hobie Wild Cat and Hobie Tiger inside Super Sail Tour will be a rendezvous of World Champions, European Champions and German Champions again. There is no other regatta in Germany bringing together so many top level sailors many times a year. Detlef Mohr, 10 times Kiel Week winner and 12 times European Champion will try to gain a better starting position for the final race in August in Westerland on Sylt. Jens Goritz from the island of Föhr, Kiel Week 2013 winner Stefan Wiese-Dohse and Grömitz winner Ingo Delius are in really good mood and very motivated this year. These masters in the Hobie 16 class make it difficult for the youth champions to sail on the podium. Maximum excitement on the water is guaranteed.

Up to 6 races are planned on Saturday and Sunday. All sailed very close to the pier and as usual with Super Sail Tour live moderation. Another highlight onshore the Hobie 16 sailing simulator. The prize giving ceremony will take place on Sunday at approximately 4:30 pm on the NDR 1 stage.

Scharbeutz waits with a great event program. Friday and Saturday evening at 8:00 pm: Great After Sail Beach Party on the NDR 1 stage with famous reggae band "Savoy Düsseldorf". Of course, the evening events are free for all visitors.

"We are excited about everyone who comes to us to Scharbeutz. Whether it is because only to see the regattas or because of the cool party with friends at the beach," says Willy Trautmann of Prosail.
